

Rooted in the Word

Reading through
the Bible in a year

Reasons To Read Through The Bible

To Know God More

Reading through the Bible will give you a more complete understanding of who God is as revealed in His Word. Selective reading may lead to a narrow and unbalanced understanding of God.

It Strengthens Our Faith

Reading through the Word strengthens our faith in Him. Daniel 11:32b states "the people who know their God shall be strong and do great exploits." Thus our faith is developed when we understand the whole counsel of God.

It Enables Us To Pray Better

Reading through the Word will help us understand the will of God and thus enables us to pray more accurately. Reading through the Word will also provide content or substance that is Biblical when we approach God in prayer. Furthermore, reading through the Word will enable us to pray longer and in a deeper manner.

It Builds Our Spirit-Man

The Word of God is food for our Spirit-Man. Jesus says, 'Man shall not live by bread alone, but by every word that proceeds from the mouth of God.' (Mt.4:4). Feeding on the Word (spiritual food) before prayer (spiritual exercise) will enable us to be strong spiritually as we face the challenges and storms of life.

The Reading Plan

The reading plan we have adopted is the Chronological Order Bible Reading Plan. It will allow Scriptures to interpret Scriptures and to help us understand the context in which a particular passage is written. An example is the Psalms of which 76 of the 150 Psalms were written by King David in different phases of his life. The other example is the New Testament epistles written by Apostle Paul to the churches he planted as written in the Book of Acts.

For those who want to read the Bible 3 times in a year, you can do so by doing 3 days' reading in one day.

How To Keep Motivated

Consider forming a small group (such as a WhatsApp Group) to be accountable and to motivate each other. Pray and ask the Holy Spirit (who is the final "author" of the Bible) to open your eyes and minds to understand what you are reading.
